Jordan, T. P. Hayes's Lamplighter colt, won the Final Stake by a neck from Helen Print. Jordan and his mate, Lady Strathmore, were 7-to-10 favorities, Helen Print set the pace, but Jordan caught her in the last 100 yards and won driving Lady Strathmore was third, a head back. Klown Chief, at 4 to 5, broke down in the first race. Soufriere, at 12 to 1, won it in a gallop. Footlights Favorite was second and Tower third.

The third race saw Mendon, backed from evens to 3 to 5, beaten. He looked like a 1-to-3 shot. Excentral beat him, as was forecast in Saturday's Republic in the following manner:

The 2-year-old race at a mile looks like a gift for Mendon, but Excentral will win it. Mendon is too sweet looking to be true. Just like Miss Crawford was yesterday. Central is in her spot. She can beat Check Morgan, Town Moor and Spencerian, for she has done it with more weight up. So pass Mendon and play Central across the boards. Never mind her last two races. Play her on her mile, beating Bengal. Let Mendon alone. C. Miller may beat him somehow.

Haven Run and Spencerian led to the stretch. Here Excentral came along on the rail, and Mendon was taken back and swung wide. Mendom came along nicely in the stretch and seemed to be winning, when C. Miller pulled his whip. The horse then swerved into the rail, lost three lengths, and was beaten a nose.

Had Miller let the whip alone or kept whipping him after he swerved, he would have won, Judge Brady suspended Miller indefinitely for the ride. Dayton & Co., to whom the horse belongs, have run good races. Still the race had a nasty look.

Excentral had been run in furtive fashlon, evidently waiting for it, and the manner in which the field swung wide and let her through on the stretch turn, the swinging wide of Mendon and the bad work of Miller at the finish all had a very urly appearance.

The fifth race went to Pierce J., who

work of Miller at the links all had a very uglv appearance.

The fifth race went to Pierce J., who rallored at 2 to 1. The sixth was won by the 60-to-1 shot, Ellza Cook, who beat the 2-to-1 favorite, Joe Goes, by a nose on the rost. Goes was much the best, but got a bad ride from Calvit.

ADA N. GALLOPS IN. ADA N. GALLOPS IN. Ada N. galloped away with the last race at 2 to 1. She was heavily played and the men who bet on her were happy. Thus the

most successful season of racing ever held in St. Louis, from the standpoint of the track owners and bookmakers, came to an JOCKEY CLUB BARS RYAN.

Billebrands to Play in Washington REPUBLIC SPECIAL Washington, Oct. 31 .- Arthur P., or 'Doc. Washington, Oct. 31.—Arthur P., or "Doc," Hillebrand, a well-known former Princeton football and baseball player, who has coached the United States Naval Academy eleven, and his brother, Homer Hillebrand, will both play on the Washington American League baseball team next season. Wilton J. Lambert, attorney for the Washington club, returned today from Princeton, where they signed contracts last night.

De Mun Smith Defeats Gray. J. De Mun Smith, who cut quite a swath in billiards a few years ago, played a match with Charles A. Gruy of Chicago at the Royal Billiard Hall last night, and won in rather hearly fashion.

Shot Himself With Rifle. REPUBLIC SPECIAL.
Red Bud, Ili., Oct. 31.—George Kneff, a

farmer, nine miles north of here, committed suicide early this morning by shooting himself in the head with a rifle. Family trouble was the cause. He was arrested and placed in jall at Belleville two weeks ago for threatening his wife. He was released about a week ago and put under a bond to keep the peace. After returning home he became despondent, as his family had gone to live with his son. When he found the house deserted he decided to end his life. He leaves a widow and seven children.

Wall Street Gossip.

Reported by the New York Commercial Advertiser through Francis, Bro. & Co., No. 314 Advertiser through Francis, Bro. & Co., No. 314 North Fourth Street.

Foreign-Prices for American stocks in London to-day were generally lower, in this market the arbitrage houses did practically nothing for London account The holidays in London on Monday and in New York on Tuesday did much to curtail trading. In addition there was some trouble with the cables.

A. C. P.—Seldom has "good information" been so conflicting as that which is obtainable just now concerning Amalgamated Copper. From reliable sources it is learned that the strongest capitalists in the world are quietly but uninterruptedly accumulating the stock, while from other sources, every whit as reliable, a favored few hear that A. C. P. is the best short sale on the list. The maximum profit possible on the short side of it is T points or so, and there are intimations to the effect that of this maximum 17 points are absolutely cinched, while even more would cause no surprise.

Pennsylvania—Perhaus the majority of the

cause no surprise.

Pennsylvania—Perhans the majority of the professionals argued that the sale of \$50,000,000 of bonds of the P. B. W. and Long Island road guaranteed by the Pennsylvania was a bear argument. It was argued that the stock was retting a great many bonds ahead of it and that the B. & O. also needed money and that any increase in its bonded debt meant a smaller margin for the stocks, of which so much is held by the Pennsylvania. On the other hand, not a few hold that if a firm like Kuhn, Loeb & Oo, felt justified in buying such a large block of bonds at this time it was the clearest and strongest evidence that the situation was improving.

EPIDEMIC RAGING DANGEROUS EYE DISEASE

A Hundred Thousand Cases—Oculists Unable to Cure It—Dr. J. Harvey Moore, the St. Louis Oculist, Discovers a Positive Cure.

A recent issue of the St. Louis papers states the terrible eye disease, trachoma, commonly known as "granulated sore eyes," is raging in New York City. It is also prevalent in the Mississippi Valley and the Southwest and is pronounced incurable by the most eminent oculists of the world. Persons afflicted with this disease are not allowed to enter this country. J. Harvey Moore, the St. Louis oculist, has discovered a positive cure for this dread malady, no difference how desperate the case, even to the extent of blindness. Thousands are affected with this terrible malady and are not aware of it. If your eyes are weak inflamed or watery or have matter in the corners in the mornings or feel like they had sand in them, you had better call on Dr. Moore at once or write him before your case becomes serious. He will examine your eyes and give you an honest opinion absolutely FREE OF CHARGE.

Dr. Moore cured his eyes and restored his sight in a short time. He cured the eyes of Leonard Schoepp, a prominent merchant of Mascoutah. Ill.; Miss Jessie Whipple, 2349 Pine st., St. Louis, and Miss Vera Owen, sister-in-isw of Wm. Seeger of the Columbia Brewery, St. Louis, and hundreds more.
